Colorado Mesa University invites applications for a full-time tenure-track and Associate Professor of Physical Therapy and founding Physical Therapy Program Director.

ESSENTIAL DUTIES and RESPONSIBILITIES include, but are not limited to:

Develop, coordinate, and oversee a doctoral-level physical therapy program.

Provide effective leadership for the program in areas of communication, program assessment and planning, fiscal management, and faculty evaluation.

Recruit students and promote the program.

Teach within the Physical Therapy program and the Department of Kinesiology. Teaching may involve online, hybrid and/or distance delivery modalities.

Complete professional development activities and service to the university and community,

Maintain a well-defined, ongoing scholarly agenda

REQUIRED:

Earned Doctor of Physical Therapy (DPT) degree

Description: Earned terminal academic degree (DPT and PhD, EdD, or equivalent) in Physical Therapy or a related field.

Licensed or eligible for licensure as a physical therapist in the state of Colorado.

Minimum of six years of full-time higher education experience, with a minimum of three years of full-time experience in a physical therapy education program.

Knowledge of physical therapy program organization, administration, fiscal management, and the accreditation process.

Excellent oral, written, and interpersonal communication skills.

PREFERRED:

Demonstrated leadership and management experience with increasing level of responsibility.

Experience as a program director or other administrative position in an accredited physical therapy program.

Hold certification in an area of specialization (e.g., GCS, CCS, OCS, NCS).

Demonstrated experience to design and conduct collaborative research.

Extramural funding.
